

Single Sign-on Authentication System

Software Support & Ocean Ecommerce  
New User Registration Workflow

# Software Support & Ocean Ecommerce New User Registration Workflow

- To align Schlumberger services, our authentication process is changing. By leveraging Microsoft technology to authenticate access, will allow more of our services to utilize single-sign-on. Thus, allowing the user to navigate from application or service seamlessly.
- Each user of the Software Support site and the Ocean Ecommerce will be required to enter/create their profile in the identity management system.
- The following workflow will help you to create a Software Support and Ocean Store account.

**Click Create**

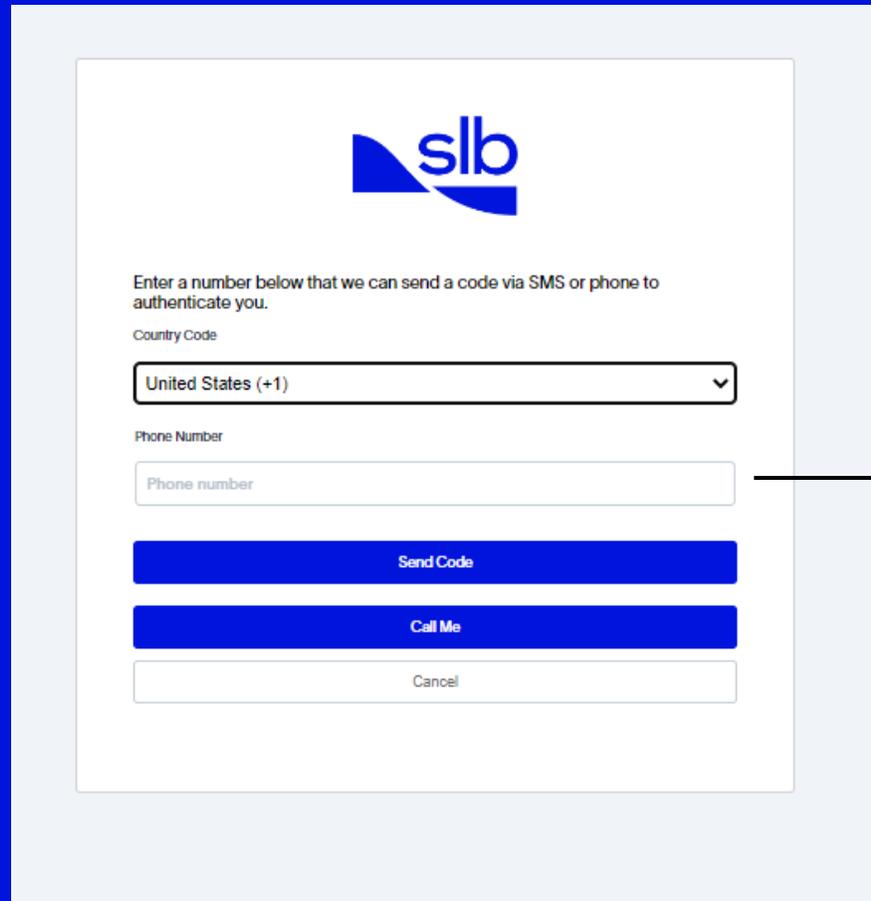

After completing all fields, click Create.

Step 6 of 8

The Privacy Statement which details how SLB will use your

After creating/entering your password, complete all remaining fields. Click Create.

The screenshot shows a web form for multifactor authentication. At the top is the SLB logo. Below it is the instruction: "Enter a number below that we can send a code via SMS or phone to authenticate you." The form includes a "Country Code" dropdown menu currently set to "United States (+1)". Below that is a "Phone Number" input field with the placeholder text "Phone number". At the bottom of the form are three buttons: "Send Code" (a blue button), "Call Me" (a blue button), and "Cancel" (a white button with a grey border). An arrow points from the "Phone number" input field to the right, towards a callout box.

**Enter Phone number for multifactor authentication**  
Enter phone number, then chose Send Code or Call Me option.  
Step 7 of 8

The identity management service uses a multi-factor authentication (2FA) process.  
NOTE: this 2FA will be used each time you log into the application or site.

Enter a number below that we can send a code via SMS or phone to authenticate you.

+9

Enter your verification code below, or [send a new code](#)

**Click on Verify Code**  
Enter the code provided to authenticate the number provided. Once you click Verify Code, you will be directed to the referring website.

Step 8 of 8

Enter the 6-digit code in the space provided. Click Verify Code. Upon verification:  
You will be directed to complete Registration, where you will select your Service and provide your company information.
