

SCALING SUBSURFACE EXPLORATION WITH THE CLOUD

Lynwood Bishop, CEO

SIS Global Forum 2019

WHAT DOES IT MEAN TO GO TO THE CLOUD?

What works and what doesn't?

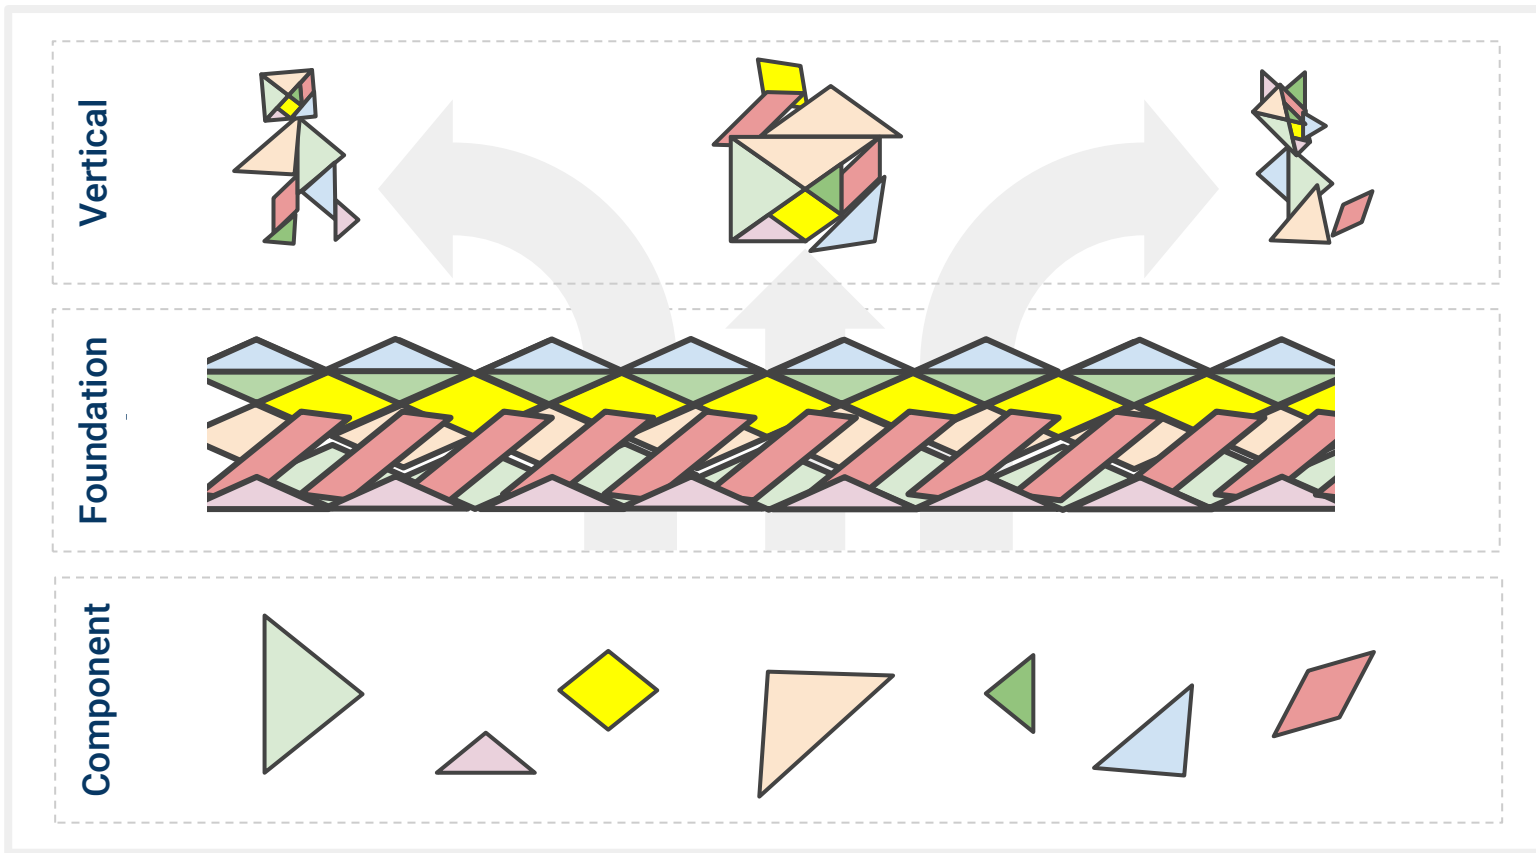

What is Leadership's role?

Do you build, buy, or partner?

How do you get to value?

WHAT WORKS

Accelerate Time-to-Value

GROUND RULES FOR BUSINESS TRANSFORMATION

Align your people organization with your technical approach via a component based architecture.

BUY? BUILD? PARTNER?
